Norwich, Tuesday, Aug. 31, 1909.

The Circulation of The Bulletin.

The Bulletin has the largest cirulation of any paper in Eastern Connecticut, and from three to four times larger than that of any in Norwich. It is delivered to over 3,000 of the 4,053 houses in Norwich, and read by ninety-three per cent. of the people. In Windham it is delivered to over 900 houses, in Putnam and Danlelson to over 1,100, and in all of these places : is considered the local daily.

Eastern Connecticut has fortynine towns, one hundred and sixtyfive post office districts and fortyone rural free delivery routes.

The Bulletin is sold in every town and on all of the R. F. D.

that "the snare of the Fowler" is scriptural, and that he must take notice.

Happy thought for today: Praise

We have just received a letter from the attorney general in which you will be interested. It is in response to an inquiry made by Secretary Spooner concerning the law requiring We have just received a letter from Spooner concerning the law the the ten per cent of voters on the li

positive, but think the general assem-bly voted to have the laws generally go into effect the first of October. As-suming that to be so that act would not be in effect until Oct. 1st, but from then, and after that it would be, vented a nachine that will catch 10,000 Some people feel quite sure that the fro so that when the annual town meetmilford, Mass., has just formed a Hen and Rooster club. It is apparent that a woman might be made its president.

When a fly gets into the restaurant butter be appears to be having so much trouble that a customer rarely meddles with him.

Ings were held in October to vote on the license question that act would be in effect, but when the meetings were warned the act would not have gone into effect. This would raise a rather technical, legal question whether the preliminaries leading up to the vote taken at the town meeting in October on the license question was under the 1909 act or the previous acts amended by it. To be perfectly safe, I should advise getting the petition of not less than ten per cent of the legal voters as required by the 1909 act, for the When the best that can be said of

if he keeps his part of the programme a war of words is probable. There's going to be a hot old time when Cannon gets back to congress.

FIGHTING FOR LIFE.

The man who stands in the gap for the protection of the people against the interests of organized capital must always fight for his life. So Dr. Wiley,

Christian Science Cannot Be Tested Mr. Editor: in a recent editorial entitled "Harriman and Health" it was

wounds, saith the Lord"; and in Jere-miah 33:6—"Behold, I will bring it health and cure, and I will cure them and will reveal unto them the abun-dance of peace and truth."

A GOOD REASON

Norwich People Can Tell You Why It Is So.

A WOMAN'S PRIVILEGE

Shyl Powers crumpled the letter in which was still her own; and, too, she control to the control of the c

them how to behave in the field should any foreign aggressor ever attack us. There could be no doubt of the seriouseness of every man in the war game. It was this very seriousness that made them all march and fight as if life depended upon winning, and that will inspire each one to claim the victory whenever the subject is mentioned. Although the campaign against Boston will be recorded in history merely as army manoeuvres, it will always be remembered by those who were privileged to witness it as grim warfare carried out in every detail except the actual shooting of bullets. The long and difficult marching over heavy roads, the joyous endurance of suffering from cold and rain, the quick and
